AUDITOR'S REPORT

Board of Selectmen,
Winter Harbor, Maine

This is to certify that I have audited the accounts of your
Treasurer, Tax Collector and Selectmen, and to the best of my
knowledge and belief these accounts have been correctly kept.

A. F. SAWYER,

Auditor

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Winter Harbor:

I herewith submit my first annual financial statement covering the cost of operating your schools for 1938-1939.

Inasmuch as the character of your schools has not changed much in recent months, I will forego the usual lengthy discussion on the progress of your schools which has been jointly supervised by my predecessor and myself. Instead I wish to make known my willingness to discuss school matters with you as individual parents or interested citizens at any time you see fit. Just send word to any teacher, school committee member, or myself, and I will call at your home at your convenience.

I am interested in your boys and girls for they are the citizens of tomorrow.

Respectfully,

R. H. HASKINS,
Superintendent of Schools

WINTER HARBOR PUBLIC HEALTH NURSE'S REPORT

To the Citizens of Winter Harbor I hereby submit the report of the nursing service given your town beginning January 1, 1938 and ending December 31, 1938.

In January the winter weighing of the seventy-two grade children was completed for the health charts, and the Seven Point children thus far checked up with the teachers.

During the Cancer Prevention and Early Diagnosis Campaign in March and April, over 1,000 pamphlets on both subjects were placed in libraries, schools and homes. An Early Diagnosis window exhibit was set up in a down town store, where posters and pictures were exhibited.

In May vaccination against Smallpox was offered in the schools. Twenty-seven pupils took advantage of it. Diphtheria immunization was also offered this year, sixty-seven children being immunized.

At the school field day held May 23, 142 pupils in the Flanders Bay Service, who had won the Seven Point pin as a health award, took part in the exercises. We had (4) 100 per cent and (8) 50 per cent rooms.

On September 1, the annual infant and pre-school clinic was held. It was the worst rain storm we had had for the season, but thirteen children were present. Dr. Miller, the summer resident physician from the Point, examined the children and gave helpful advice to the mothers.

At the opening of school, inspection for skin infection was done during the first week of school. At this time sanitary inspection of school buildings and play ground equipment was also completed.

The annual school inspection was completed October 1 in the grades and October 18 in the high school. Notices of defects were sent to parents, and a full report of findings left with each teacher. Routine school room visits have been made with the teacher for the purpose of helping with all health problems.

REPORT—SCHOOL NURSING

Number of pupils inspected, 135.

Number of pupils with defective teeth, 24.

Number of pupils with defective throats, 2.

Number of pupils with defective vision, 14.

Number of pupils with defective hearing, 1.

Number of pupils 100 per cent or more underweight, 20.

Number of pupils with orthopedic defect, 1.

CORRECTIONS

Teeth, 16.

Throats, 4.

Vision, 22.

Orthopedic case requiring treatment, 1.

All tuberculosis contacts have had their yearly chest X-ray at the Eastern Maine General Hospital in Bangor, as recommended by the clinic doctor, and constant home supervision has been given to them.

During the year, 318 home visits of instruction and investigation were made to babies, preschool and school children, prenatal patients, tuberculosis patients, and other types of communicable diseases. Many visits to give care to sick were made. Twenty-two patients were taken to hospitals, doctors and clinics in nearby cities. Fourteen school children were taken to a dentist and oculist for treatment.

I extend thanks to all who have cooperated in any way to the success of the nursing service.

Respectfully submitted,

FLANDERS BAY NURSING SERVICE,

by Clyde H. Ricker, R. N.
